- H.H. MAHARISHI MAHESH YOGIJI

About Us

Maharishi Vidya Mandir

- * Founded by Maharishi Mahesh Yogi at Bhopal in the year 1991.
- * Present in over 16 Indian States.
- * It has 148 branches in 118 cities with above 100,000 students and 5,500 teaching and supporting staff.
- * It is said to be the largest chain of privately owned, public schools in India.

Rasipuram Maharishi Vidya Mandir

- * It was established in 2015 by KULADEIVAM EDUCATIONAL AND CHARITABLE TRUST.
- * MVM school follows CBSE curriculum from Grade I to Grade XI and XSeed for Kindergarten.
- * Maharishi Vidya Mandir Schools are designed to demonstrate perfection in education. We offer knowledge in every brain through consciousness.

Vision

We endeavour to prepare each student for academic, social and personal success, empower the students to be globally minded citizens, provide holistic development of mind and body, ensure an international schooling standard in an Indian rural environment.

Mission

Our mission is to provide a joyful learning environment that empowers children to reach educational and personal potential while nurturing their self-confidence and self-esteem.

Location

- * Rasipuram Maharishi Vidya Mandir campus is elegantly situated on Namakkal- Salem highway (NH- 44), just 15 minutes from Salem and 5 minutes from Rasipuram, North of ATC Depot and South of Attayampatty X Road on the foot of Alavai hills.
- * The school has a pleasant atmosphere throughout the year with a backdrop of luxuriant green hills.

Infrastructure

Our School

- * Well equipped smart class rooms with interactive board to enrich the quality of teaching and learning.
- * Well stocked library with more than 5000 books.
- * Well ventilated, spacious and bright class rooms.
- * Multi purpose Indoor Stadium.
- * Luxurious dining hall.
- * Extensive playing area for field games

Laboratories

Our school has sophisticated individual laboratories for Chemistry, Physics, Biology, Mathematics, Computer Science and English Language equipped with the latest and state of art facilities for Students from all classes to utilize them and gain practical knowledge in their allotted periods.

Dining

- * Our school provides a spacious dining hall for classes One & above and a mini dining hall for KG students.
- * All the children are provided with nutritious food everyday as per the following schedule :
 - Morning Breakfast,
 - Forenoon Juice,
 - Midday Lunch
 - Evening Snacks with Milk
- * The quality of food is monitored by a nutritionist periodically.

Sports

- * The students of our school are divided into four houses to inculcate the essential qualities of leadership, team work, co-operation, mutual understanding and self-reliance.
- * We have special facilities and trainers for Archery, Badminton, Billiards and Skating.
- * Our school has an extensive outdoor facility with a 200m track, Cricket nets and other field games.

Club Activities

Our School has enhanced various club activities to explore the unique talent of the students. We provide various clubs like Art & Craft club, Language club, Math club, Science club, Eco watch club, Health club and IT club. Distinct activities are conducted to explore and enrich their life skills.

IT Club

Our School illuminates the students of the latest and advanced technology and gives them confidence to innovate.

Art and Craft Club

Stimulates the fire of fantasy to appreciate great works of art in a beautiful way. On completion of an activity, Students are encouraged to share the art work with their friends and family.

Language Club

The art of communication is the language of leadership. Our children touch the sphere with Shakespeare and never have fear. Debate, Extempore, Group Discussion, Poetry reciting, Essay Writing are the various branches of the Language Club.

Eco watch Club

Aims to create an eco friendly environment and students are sensitized about work environmental issues.

Einstein Club

Our children learn about all scopes of science from Chemistry, Physics and the environment. They are taught to use the conceptual basis for applications in the real world.

Math Club

Named after the famous mathematician our Math club generates interest in Maths and aims to hone problem solving capabilities.

Celebrations

Our children stay optimistic, triumph the circumstances, share their similarities and celebrate their success in the history. The importance of National holidays is instilled into the children. Every year Sports Meet, Exhibitions, Fairs, Annual Day and Cultural Fests are conducted.

Workshops

“Progress is impossible without change, those who cannot change their minds cannot change anything”. Faculty Development Program and various trainings, workshops are conducted in regular intervals for teachers and students where prominent personalities share their experiences and accelerate them.

Field Trip

Our school lays a strong emphasis on the secular outlook of the children right from their youth. We nurture the knowledge of the children with nature and in practical outlook with frequent field trip.

Hostel Facility

Our School furnishes personality with hygienic living conditions. The rooms are spacious and well advanced with ample ventilation. Hostel children do compulsory exercises, yoga & meditation and also have study hours.
